POD CASCADE

A multiple drop chandelier of cascading organic pod shapes catch and spread pin points of light, reflecting off each highly polished, hand worked ribbed brass surface. Delicate looping wire adds to the exotic, natural decorative ambience of the lights. Designed to work as a hanging cluster, available in small to extra large groups as required.

Dimensions: As pictured 80cm x 32cm plus adjustable wire drop, Individual pod h.15cm x d.14cm

Materials: Hand spun brass with hand worked rib decoration

Recommended Lamps: 3W LED G9 per pod

Designer: Martin Huxford
